How paying by cheque helps your pay go further

Lloyds Bank offers full banking services to all ranks of the Royal Air Force.

When you have a bank account, you'll find that paying by cheque, automatically having a record of your outgoings, never carrying unnecessary amounts of cash on you—all help you to have a clear view of what you're doing with your money. Helps it to go much further.

Lloyds Bank has a long tradition of service to the Royal Air Force so you'll be welcomed at any branch. Ask for our *free* booklet

which explains how Lloyds Bank can help serving members of the Royal Air Force, or, if you like, write to Mr. E. S. Keyworth, Lloyds Bank Limited, Cox's and King's Branch, 6 Pall Mall, London, S.W.1. He is specially concerned with liaison between the services and the Bank.

THE VICTORIA CROSS.

(Instituted 29th January, 1856.)

1. *Style.*—It is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross," and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it an escroll bearing this inscription: "For Valour."

2. *Riband.*—It is ordained that the Cross shall be worn on the left breast pendant from a red riband of one inch and a half in width, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

3. *When awardable.*—It is ordained that the Cross shall only be awarded for most conspicuous bravery, or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

4. *Posthumous award.*—It is ordained that the Cross may be awarded posthumously.

5. *Gazettement and registration.*—It is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the Decoration shall be published in the *London Gazette*, and a Register thereof kept in the Office of Our Principal Secretary of State for Defence.

6. *Eligibility.*—It is ordained that the persons eligible for the Decoration of the Cross shall be:—

(1) Persons of any rank in the Naval, Military and Air Forces of Our United Kingdom of Great Britain and Northern Ireland, of Member Countries of the Commonwealth overseas, the Governments whereof have signified their desire that awards of the Cross shall be made under the provisions of this Our Warrant, of our Colonies or Our other Territories or of the Territories under Our Protection or Administration (including members of the Home Guard and any lawfully constituted Force corresponding thereto), and including also members of the Naval, Military and Air Force Nursing Services and of the Women's Auxiliary Services;

(2) Members of Our Merchant Navy;

(3) Our faithful subjects and persons under Our protection in civil life, male and female, serving regularly or temporarily under the orders, directions or supervision of any of the above-mentioned Forces or Services.

7. *Bars.*—It is ordained that if any recipient of the Cross shall again perform such an act of bravery as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the

riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously. For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

8. *Recommendations.*—It is ordained that every recommendation for the award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description, conclusive proof as far as the circumstances of the case will allow, and attestation of the act as he may think requisite, and if he approve he shall recommend the grant of the Decoration to Our Secretary of State for Defence, or, in the case of any Member Country of the Commonwealth Overseas, the Government whereof shall so desire, the appropriate Minister of State for the said Member Country, who shall submit to Us the names of every one so recommended whom they shall consider worthy.

9. *Collective gallantry.*—It is ordained that in the event of any unit of Our Naval, Military or Air Forces mentioned in the Sixth Clause of this Our Warrant, consisting in the case of a unit of Naval Forces of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of a unit of Military Forces of a regiment, squadron, battery or company, or of a detached body of soldiers; or in the case of a unit of Air Forces of a squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Flag, General, Air or other Officer in command of the Force to which such a unit belongs, is unable to single out any individual as specially pre-eminent in gallantry or daring, then one or more of the personnel comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(a) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the Decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned officer or leading rating of the unit shall be selected by the warrant officers, petty officers or non-commissioned officers or leading ratings engaged, and one seaman, marine, private soldier or aircraftman shall be selected by the seamen, marines, private soldiers or aircraftmen engaged;

(b) When the total personnel of the unit exceeds 100 but does not exceed 200 then the number of seamen, marines, private soldiers or aircraftmen to be selected in the manner described in (a) shall be increased to two;

(c) When the total personnel of the unit exceeds 200 in number, the number of Crosses to be awarded in accordance with these provisions shall be the subject of special consideration by one of Our Principal Secretaries of State or, in the case of any Member Country of the Commonwealth overseas, the appropriate Minister of State for the said Member Country, for submission to Us;

(d) The selection to be by a secret ballot in such manner as shall be determined in accordance with the foregoing provisions by the Officer directing the selection to be made;

(e) The death of any person engaged shall not be a bar to his selection;

(f) Reference in this Clause to male members of any Forces shall be deemed to include the equivalent ranks of the Women's Auxiliary Services of such Forces;

(g) The names of the persons recommended in accordance with these provisions shall be submitted to Us in the manner laid down in the Eighth Clause of this Our Warrant.

King Edward VII's Hospital for Officers

Sister Agnes, Founder

BEAUMONT HOUSE, BEAUMONT STREET, W.1

All officers of the three services, serving and retired, who have held regular or temporary commissions are eligible for admission, whether or not they subscribe. Sister Agnes's is run for their benefit and all subscriptions, donations and covenants enable this object to be attained. The Hospital has both private rooms and small wards.

The Council has as its object the provision of the best medical and surgical facilities at the lowest possible cost. Serving regular officers are entitled to free nursing and maintenance in the shared rooms. Other officers are asked to pay from 10 to 15 guineas per week for private rooms and 7 to 10 guineas for a shared room or ward bed. The 10-guinea weekly rate is the charge for a private room for anyone who has previously supported the Hospital, or belongs to a Regiment or Firm with whom an arrangement has been made. The patient's ability to pay is always considered and there is a generously administered Samaritan Fund for those in need. Extra charges are kept to the minimum and are constantly reviewed. The majority of patients admitted are on a booked-bed basis, and although every effort is made to admit emergency cases, in common with other London hospitals, Sister Agnes's cannot guarantee admission at very short notice, especially in the single rooms.

The Hospital is for surgical and medical cases, and has its own Resident Medical Officer-X-ray and Physiotherapy Departments.

The Hospital has its own consultant staff, whose fees are in accordance with the patient's means, on a scale approved by the Council.

The Hospital is outside the National Health Service and is therefore dependent entirely on voluntary aid. The School provides free education, clothing and board during term time for the sons of Scottish Sailors, Soldiers and Airmen of the Regular Forces. The sons of officers are not eligible unless their fathers have had at least four years' service in the ranks. Boys may be registered for entry at the age of seven and are normally admitted between the ages of nine-and-a-half and ten-and-a-half. There are a few vacancies each year for boys up to the age of thirteen. Boys are admitted only at the beginning of the Christmas term and applications must reach the school by 31 March each year. Eligible candidates will be interviewed by a Selection Board at the School when practicable and will undergo an educational test.

The School is organised in Primary, Junior Secondary and Senior Secondary departments in accordance with the requirements of the Scottish Education Department. Boys leave the School at various ages between fifteen and eighteen, according to their academic ability and choice of career. They are encouraged, but in no way compelled, to join the Services. Provision is made for those who wish to enter universities or Service Colleges.

The purpose of the Officers' Association, under its Royal Charter, is to promote the interests of, and to assist and advise by every means possible, all those who have at any time held a Commission in Her Majesty's Naval, Military and Air Forces, including members of the Women's Services holding similar ranks. Such help is extended to include the families and dependants of these officers.

RESETTLEMENT.

The Resettlement and Employment Department of the Association, at Windsor House, 46, Victoria Street, London, S.W.1, is prepared to advise or assist officers in regard to finding suitable employment in civilian life. Such advice is now extended to officers who expect shortly to terminate their careers on the Active List.

The Association works in close co-operation with all organisations which have as their objects the assistance of ex-officers and their dependants.

The Association has no members in the ordinarily accepted sense of that term, but invites subscriptions from units and individual officers for the benefit of those in less fortunate circumstances. Gifts of clothing of all kinds are also most welcome.

**Chairman of Council: The Rt. Hon. VISCOUNT KNOLLYS,

THE ROYAL AIR FORCE BENEVOLENT FUND was founded in October, 1919, by the late Viscount Trenchard to secure lasting benefits for the personnel of the Flying Services and their dependants in commemoration of their achievements during the Great War 1914-18.

A Memorial to the Officers and Men who lost their lives stands on Victoria Embankment overlooking the Thames, and was unveiled by H.R.H. the Prince of Wales in July, 1923. An inscription, in remembrance of those men and women of the Air Forces of every part of the British Commonwealth and Empire who gave their lives in the 1939-45 war, was unveiled by Marshal of the Royal Air Force Viscount Trenchard at a ceremony on 15th September, 1946.

The Fund exists for the relief of "distress" or need, actual or potential, among past and present members of the Royal Air Force, Royal Auxiliary Air Force, Royal Air Force Reserves, Women's Royal Air Force—and their dependants. It must, therefore, be prepared to help :—

The disabled, and the dependants of those killed flying.

Other casualties and their dependants.

Sufferers on account of sickness and general distress.

Expenditure on all forms of relief in 1963 amounted to £634,667. In the first year of the Fund's existence, 1919-20, it is noteworthy that the help given amounted to £919, and since then, a total of over £11 million has been disbursed on all forms of assistance. Of this amount over £10 million has been expended since V.J. day, 1945.

The Royal Air Force Benevolent Fund exists for a Service that trains as well as fights in the air, and provides relief for cases arising from casualties in war as well as from flying accidents and ordinary distress in peace. It must therefore be prepared to render help indefinitely.

The Council trust therefore that the Service and general Public will respond generously and unremittingly to their appeal, and so enable the Fund to continue its increasingly valuable work.

How to send Help

Cheques, etc., which will be gratefully acknowledged, should be made payable to :—

KITCHENER MEDICAL AND DENTAL SERVICES SCHOLARSHIPS

Medical and Dental Services scholarships, for which the money is provided by the Services, are awarded annually,

- (a) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces, or
- (b) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces who served in the Great War of 1914-18 and/or the World War of 1939-45,

who are over 17 and under 20 years of age on the 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved medical or dental course) and who require financial assistance to enable them to undergo a course of medical or dental education with a view to obtaining commissions in the Medical or Dental Branches of the Royal Navy, the Army or Royal Air Force.

Twelve scholarships are at present offered annually, normally two for medicine and two for dentistry for each of the three Services. The value of each scholarship is dependent on the financial resources of the scholar's family. A scholar who obtains a Local Education Authority award and has no other personal income will receive a supplementation up to a maximum of £100 p.a. The scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, or dentistry, will apply at once for a commission under the current Regulations in the Medical or Dental Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay; if, however, he does not serve for five years on full pay following full registration he will be called upon to refund in full the money spent by the Service on his Scholarship. The Scholar who receives a full Scholarship award instead of the supplementation of a L.E.A. award will also suffer recovery of the money spent on his Scholarship if he does not continue in the Service on a Permanent Commission until the completion of at least fifteen years' service following full registration.

The Home stands on the site on Richmond Hill of the old Star and Garter Hotel, famous for 200 years. Here today 200 grievously disabled ex-Servicemen—many of them from the R.A.F.—receive the best medical treatment and enjoy the best accommodation.

There are still three patients who are veterans of the Boer War. Of the balance approximately half served in World War I and half in World War II.

It is an independent charity and not part of the National Health Service. Running costs over the years have steadily widened the gap between maintenance costs and reliable income. An average of £35,000 is needed each year to bridge this. And now the Governors are faced with a special expenditure of £100,000 for renewals in the ageing building.

Will you help the former comrades of your Force to have the best possible conditions for the remainder of their days? Donations would be gratefully received by the Commandant at The Star and Garter Home, Richmond, Surrey. Telephone: Richmond 3314.

ON THE BEAM

Laser rangefinding was one of the first uses suggested when the laser principle was discovered: rangefinders will be among the earliest operational applications. Advantages include independence of good light conditions, high accuracy at longer ranges and the ability to operate undetected.

Barr & Stroud invented the modern optical rangefinder and are themselves in the forefront of British laser development. Now they offer laser rangefinders, having come to an agreement with the Hughes Aircraft Company of California, who discovered the laser principle.
